Regarding Reservations (Credit card payments are also accepted.)

Our Japanese cultural experiences are primarily held at our designated location; however, it is also possible to arrange these experiences at your accommodation. We kindly ask that reservations be made in advance, with a **minimum of 1 day before** the desired date. The special courses in Makari Village and Toya require minimum of **two participants**, while the **Toya class is recommended for larger groups**. Please make your way to the venue individually.

Japanese Cooking

In this Japanese cooking class, you will go with the instructor to a local market or supermarket to gather ingredients, and then prepare a traditional Japanese dinner at your accommodation's kitchen. This class is not just about teaching recipes; it offers a deeper understanding of ingredient selection, cooking techniques, and Japanese food culture.
